

GPOP

GOVERNANCE AND PRESIDENT'S OFFICE PROFESSIONALS

Dedicated to elevating the level of expertise held by
governance and president's office professionals in
Canadian post-secondary education institutions and other
associated organizations

Providing networking, mentoring and other professional
development opportunities that benefit individual
members and their institutions

Benefits of the complimentary membership:

- Access to a national organization
- Connection to colleagues for advice through an online platform
- Learn about and access professional development opportunities
- Connection to a network of like-minded governance and president's office professionals.
- Access to resources and information on best practices through a members' only Teams site
- Access to awards and grants specific to GPOP
- Participation in GPOP board or committee work opportunities
